## THE TRANSACTION AND GMAP'S DEAL INPUT

- Brundage-Bone Concrete Pumping (BBCP) is the largest concrete pumping and material placement service in the United States. Since their origin in 1983, they have more experience pumping concrete than anyone.
- Brundage-Bone supplies the largest and most diverse fleet of concrete pumping vehicles and equipment with the most multi-regional locations across the nation. Due to their vast knowledge of concrete pumping, they continue to lead the industry in technology, customer service, fleet and location size, training, and safety.
- The acquisition of the UK Businesses creates a multinational provider of concrete pumping services while combining respected industry leaders in United States and United Kingdom who have a shared reputation for having the most diverse and extensive concrete pumping fleets in their markets.
- Cooper Parry acted as an advisor to the seller in this transaction

## ABOUT CAMFAUD

- Camfaud are the only U.K. concrete pump company offering a full national service and provide a specialised equipment hire service to the construction industry from their extensive network of hire/service centres and regional depots.
- They work across all construction sectors and end markets from tier one contractors to small local builders and domestic customers. The company has expanded steadily over the years and now operates the largest fleet of Putzmeister and Schwing pumps in the country.
